SpaSoft[®] Spa Management Software Expands Internationally

One&Only Resort in Cape Town is First Installation in Africa

NEW HARTFORD, NY PAR TECHNOLOGY CORPORATION (NYSE:PTC)

NEW HARTFORD, NY — MARCH 12, 2009 — PAR Springer Miller Systems Inc. (PSMS) — the leading provider of guest-centric hospitality management systems, and a wholly-owned subsidiary of PAR Technology Corporation— announces that PAR Springer-Miller continues to expand their international customer base with the installation of their SpaSoft system at One&Only Cape Town, South Africa.

One&Only Cape Town is the newest addition to the Kerzner luxury brand. When the spa property opens in April 2009, it will become the sixth Kerzner International property to install the SpaSoft Spa Management solution. Other properties include: The Palm, Dubai; One&Only Le Saint Geran, Mauritius; One&Only at Reethi Rah, The Maldives; Atlantis Paradise Island, Bahamas; One&Only Palmilla, Mexico.

The One&Only Cape Town Spa is located on its own private island on the Victoria & Alfred waterfront. Featuring a spacious 1,200-square-metre layout, Cape Town eagerly anticipates the extensive facilities and treatments.

“Kerzner International Resorts feature some of the top-rated properties in the world, One&Only Cape Town is a remarkable addition to their collection,” remarked Brigitte Diem-Guy, General Manager of SpaSoft. “We hold our relationship with Kerzner in high regard because of their strong commitment to offer the most expansive and comprehensive spa experience, not only at the new One&Only Cape Town, but at each and every property. SpaSoft’s unique booking engine, advanced resource scheduling, inventory, yield management and reporting tools support this mission and are the backbone of their robust spa business.”

Diem-Guy continued, “With the addition of South Africa, SpaSoft is now installed in 44 countries worldwide. The success of our clients’ spa business is directly related to the guest service they provide. “With our enhanced global support coverage and SpaSoft’s capability to support multiple languages we ensure that our software is relevant and competitive internationally.”
