

Description

DAVO Sales Tax is trusted by thousands of merchants across the U.S. to fully manage their sales tax. For less than the price of a bookkeeper or CPA, DAVO sets sales tax funds aside daily, then files and pays them to the state automatically, on time and in full.

Offerings

First Month Free, then only \$39.99 per month per location.

Visit davosalestax.com/PAR to get started today.

Capabilities

DAVO Sales Tax integrates directly with PAR Brink POS to read your sales and sales tax data daily. Your sales tax funds will then automatically be set aside each day and filed and paid to the state when due, on time and in full.

Features

- DAVO is sales tax on autopilot
- Sales tax funds are set aside daily, then filed and paid to the state automatically on time and in full
